Dear Friend of the La Plata Youth Soccer Association,

The mission of the La Plata Youth Soccer Association (LPYSA) is to offer the tremendous benefits of soccer to the youth of Southern Maryland. Fun, physical conditioning, teambuilding, friends and competition are just some of the many benefits. Players aged 4 to 18 can enjoy our program. We are a part of the Maryland State Youth Soccer Association (MSYSA)

An extensive in-house recreational league forms the core of our program, with over 700 children playing soccer in both the Spring and Fall seasons. LPYSA also offers Rec Plus and Select teams.

LPYSA strives to advance players and their soccer skills, as well as teach children life skills such as leadership, independence and team work. Our coaches and parents are volunteers who have a sincere desire to help our kids not only develop their soccer skills, but also their sportsmanship and desire to do their best in any situation. Our team and coaches are striving to build "Leaders on and off the field." We exist purely through player fees, fundraising and sponsorships. As a sponsor, you help provide our kids with training, equipment and uniforms. Your sponsorship contribution also helps defray the cost of clinics and larger league plans such as additional field lights and eventually our hope to own our own fields.

Thank you in advance for assisting each member of the LPYSA with a chance to become a better soccer player, as well as a better-rounded person.

Sincerely,
Ryan Mudd
LPYSA President
